

GULF DELIGHT COMPANY LLC

PROFILE

About Us

At Gulf Delight Contracting Company, we pride ourselves on being a leading provider of diverse and specialized services. With over 2 years of experience in the industry, we offer a comprehensive range of solutions tailored to meet the unique needs of our clients across multiple sectors.

We specialize in:

- **Manpower Services:** We provide skilled personnel including welders, QC, QA, HSE officers, riggers, and bouncers to support a variety of industries, ensuring safety and efficiency in every project.
- **Trading of GRP Pipes:** As trusted suppliers of Glass Reinforced Plastic (GRP) pipes, we ensure the highest quality materials for clients involved in construction, infrastructure, and industrial applications.
- **Engineering Consultancy:** Our experienced team of engineers offers expert consulting services, delivering innovative solutions and helping businesses streamline their operations and achieve project success.
- **Thermoplastics Sheets:** We trade in high-quality thermoplastic sheets, widely used in industries such as manufacturing, construction, and automotive, offering durable and versatile materials for various applications.
- **Transportation Services:** We provide reliable and efficient transportation services to move goods and materials safely and on time, ensuring seamless logistics for our clients.

As a company that values integrity, commitment, and quality, we aim to provide exceptional services that exceed customer expectations, fostering long-term relationships built on trust and satisfaction.

We are committed to making a positive impact in every project we undertake.

Vision

"To be a leading provider of integrated solutions in manpower, trading of GRP pipes, engineering consultancy, thermoplastic sheets, and transportation services, delivering exceptional quality and value. We aim to empower industries with reliable, innovative, and sustainable services. Our commitment is to support the growth and success of our clients through expertise and dedicated service."

Mission

"At Gulf Delight, we are committed to providing high-quality manpower solutions, trading in GRE GRP pipes, and delivering expert engineering consultancy. We specialize in thermoplastic sheets and offer reliable transportation services to support diverse industries. Our mission is to drive efficiency, innovation, and sustainability across every sector we serve."

What We Do

At Gulf Delight Contracting, we specialize in providing skilled manpower and technical support, including welders, QC, QA, HSE officers, riggers, and bouncers to various industries. We also trade in GRE/GRP pipes, offer engineering consultancy, supply thermoplastics sheets, and provide reliable transportation services. Our diverse offerings are designed to meet the needs of a wide range of industrial sectors, ensuring high-quality solutions and exceptional service.

Innovation

At Gulf Delight Company, our commitment to industry leadership and innovation drives our success and sets us apart in the global oil and gas sector. We continually push the boundaries of technology and operational excellence to deliver superior energy solutions. Here's how we lead the industry and foster innovation:

Solutions

At Gulf Delight Company, We leverage our strong network of trusted suppliers worldwide to source high-quality products at competitive prices, ensuring our clients receive value and timely delivery.

Our efficient logistics team coordinates the entire supply chain process, from procurement to delivery, ensuring that products reach clients on time and in excellent condition.

Thought Leadership and Expertise

With years of industry experience, we leverage deep market insights and innovative strategies to guide our clients toward achieving their business objectives. Our team is committed to staying ahead of industry trends, providing expert advice, and delivering effective solutions that drive long-term success.

Global Presence and Market Adaptability

We have established a strong global presence, allowing us to source and deliver products from various regions while adapting to diverse market demands and customer preferences. Our deep understanding of international trade regulations and market trends ensures we can quickly adapt to changing economic environments, providing timely solutions to meet the needs of our clients across different industries.

Technical Support Services

Gulf Delight offers expert technical support services, providing skilled professionals in welding, quality control, quality assurance, and health, safety, and environmental (HSE) management. We supply certified welders, QC inspectors, and HSE officers to ensure safety and compliance across various industries. Our team excels in delivering technical expertise tailored to meet project-specific requirements. With a focus on quality and efficiency, we assist in project execution, troubleshooting, and operational support. Our commitment is to provide seamless technical assistance that enhances productivity and ensures project success.

Trading of GRE,GRP,GRV pipes and Fittings.

"We have an Aramco-approved manufacturer based in Oman, specializing in GRP, GRE, and FRP pipes and fittings.

Specialization:

The manufacturer focuses on Glass Reinforced Plastic (GRP), Glass Reinforced Epoxy (GRE), and Fiber Reinforced Plastic (FRP) pipes and fittings.

Materials:

- GRP: Uses isophthalic resin for bonding glass fibers.
- GRE: Uses epoxy resin, which provides greater strength, especially at higher temperatures.

Use: Oil & Gas, Petrochemicals, Refineries, Desalination, Water Treatment.

Engineering Consultancy.

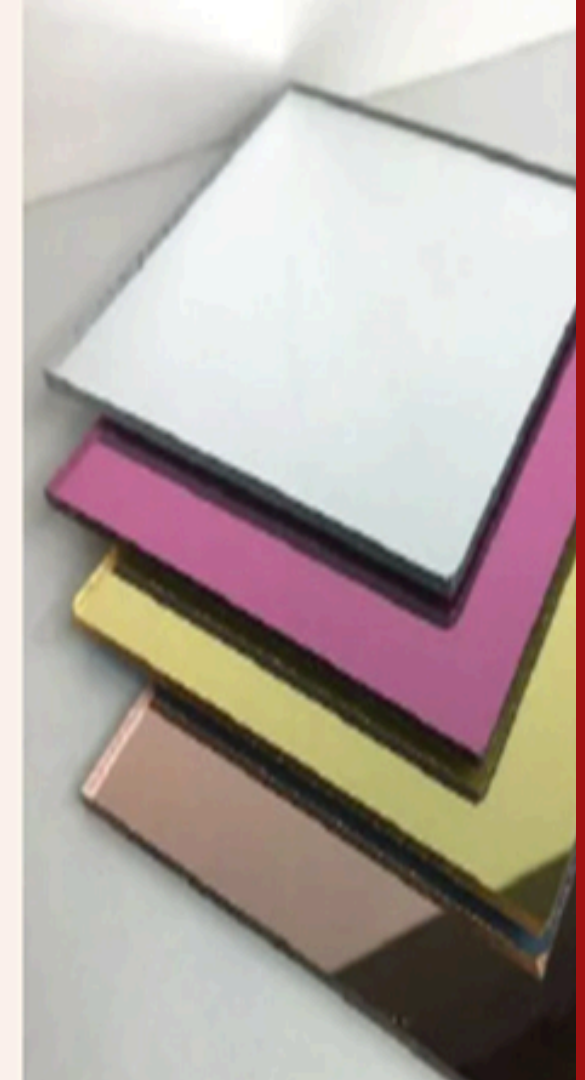

“Gulf Delight is a leading engineering consultancy which offers quality-driven technical expertise and personalized services to clients in the region.”

- Design of GRP Pipes and Fittings
- Flexibility Analysis (Stress Analysis)
- Surge Analysis
- Engineering Drawing
- Isometric Drawing
- Preparation of Bill of Material
- Other GRE related Engineering calculation

Trading of Thermoplastic Sheets.

We are a leading supplier and distributor specializing in thermoplastic sheets for a diverse range of industries. With a commitment to delivering high-quality materials, we offer a comprehensive selection of thermoplastic sheets, including Polycarbonate, Corrugated Polycarbonate, Hollow Polycarbonate, Extruded acrylic, Cast Acrylic, Acrylic Mirror, GPPS, SAN, ABS, HIPS, PMMA-ABS-PMMA coextruded and PVC sheets, among others. Our products are sourced from reputable manufacturers across the globe to ensure exceptional durability, performance, and value.

Streamlined Fleet Solutions

At Gulf Delight Contracting Company, we specialize in providing top-tier logistics solutions, ensuring seamless road transport and courier services tailored to meet the diverse needs of our clients. With our extensive experience and industry expertise, we offer reliable, cost-effective, and timely delivery solutions across Oman and Saudi Arabia. Our comprehensive logistics services include:

- **Road Transport:** We provide efficient and secure road transport services for various goods, including heavy equipment, industrial materials, and more. Our fleet is equipped with modern vehicles designed to handle both short and long-distance deliveries with precision.
- **Courier Services:** Our reliable courier services guarantee fast, safe, and efficient delivery of parcels, documents, and packages, both locally and internationally. We cater to businesses and individuals who require dependable, time-sensitive deliveries.

Conclusion

At Gulf Delight Contracting Company, we are committed to delivering comprehensive solutions across diverse industries. With a focus on providing skilled manpower, high-quality materials, and expert consultancy, we ensure the success and efficiency of every project. Our dedication to safety, reliability, and innovation drives us to exceed client expectations in every service we offer. We strive to build long-term partnerships by consistently delivering value through our diverse services, including manpower support, trading, and engineering solutions. Trust Gulf Delight for your next project, and experience unparalleled service and expertise.
